

Curriculum Vitae

1. Personal data

Full Name: Rui Carlos Mariano Rego
Name under which publish: Rui Rego
Date of Birth: 03-09-1979
National of: Portugal
Born in: South Africa
Gender: Male
Work address:
VVIS- Vale Verde International School
Estrada de Burgau
Senhora da Luz
Algarve Portugal
8601-927 Luz

Electronic mail: r.rego@vvis.org

2. Academic degrees

Year: 2004
Degree: "licenciatura"
Number of years: 5
Final grade: 15/20
Degree granting institution: University of Algarve
School/College/Campus: FCMA- Faculdade de Ciências do Mar e do Ambiente
Thesis title: Adaptações anatomofisiológicas do golfinho à vida aquática
Supervisor: Manuel Afonso Dias
Co-supervisor: Élio Vicente
Scientific area: Biology and Geology
Program title: Ensino de Biologia e Geologia

Year: 2008
Degree: Post graduation in Environmental Science
Number of years: 1
Final grade: 15/20
Degree granting institution: University of Minho
School/College/Campus: Escola de Ciências
Scientific area: Environment
Program title: Masters in Environmental Science

Year: 2005
Degree: Masters
Number of years: 1
Final grade: n/a
Degree-granting institution: General Teaching Council for England
Thesis title: Qualified Teacher status
Scientific area: Teaching/ Education

Year: 2016
Degree: PhD student
Degree-granting institution: University of Algarve
School/College/Campus: FCHS- Faculdade de Ciências Humanas e Sociais
Thesis title: Positive Education, psychological measures in bilingual schooling environments.
Supervisor: Saul de Jesus
Co-supervisor: Sérgio Vieira
Scientific area: Psychology
Program title: PhD in Psychology

3. Previous activity and current status

01-9-2004 to 01-9-2012 Teacher in private and public schools in Portugal and England.

Currently, teach at the VVIS international school Lagos- Algarve. Teaching the subjects of Biology, Geography and Chemistry.

4. Area of scientific activity

Positive Education, Character Strengths and Adolescent Wellbeing (EPOCH model) measures in bilingual schooling environments.

5. Present research interest

Domain of specialization: Positive Psychology

Current research interests: Positive Education

Other professional interests/activities: Wellbeing, Character Strengths, and Virtues.

6. Experience as Scientific advisor

None

7. Participation in R&D projects

-Research with dolphins at Zoomarine "Programa de acompanhamento pré e pós-parto de fêmeas de golfinho-roaz (*Tursiops truncatus*)." Protocol between the University of Algarve and Zoomarine.

8. Prizes and awards received

-The Ministry of Education and Science distinguished me with the 2nd place in the Ilídio Pinho 2010/2011 competition with the "Poça, Pocinha Poceirão" project. A prize of €13500 for the purchase of scientific equipment for the "José Saramago Agrupamento" of schools.

- Scientific exchange with Nowy Targ in Poland. As part of the Etwinning program, I was invited by the Parish Council of Mira-Sintra (Portugal) to join a group of professionals to visit Poland and represent various professions in the country. I represented the professions of a high school teacher and of a biologist. Then a Polish delegation visited Portugal and I participated in its integration.

- At the II International Congress On Interdisciplinarity in Social and Human Sciences, the Paper "The Alcalar study: a Quality of Life comparative study on institutionalized elderly.", was elected as being one of the 8 best works in that meeting. As a consequence, it was republished in their magazine.

9. Published works
